## Moore's Trial Set For March

Andy Moore, after being charged with statutory rape, is currently scheduled for trial in March.

A true bill of indictment is being returned, as there is sufficient evidence to prosecute Moore.

Moore was discovered in Louisiana in late October and brought back to McDuffie County, where he was held in McDuffie County Jail. His wife has been located and arrested on the same charges of statutory rape. The court is in the process of extradicting her.

Thanks so much for the articles on Frederick Andrew Moore. This material will certainly help to strengthen our file.

I know you will keep us informed as this case comes to trial and that you will let us know the outcome once it is settled. This information will be most helpful in making certain that registration can be refused in later years.

I hope the year of 1985 has fewer cases for us to handle. The last two years have been rather disastrous because of the large number of cases which have come to our office.

Best wishes for a successful 1985.

## Moore's Bond Set At \$100,000

Andy Moore, after being charged with statutory rape and being advised of his rights, elected to waive his right to a preliminary hearing, Oct. 30. Moore, currently being held in McDuffie County Jail on that charge. Sheriff William Swan anticipated other similar charges will be brought against the defendant, eventually. Moore had sexual intercourse with a 13-year old girl (which signifies statutory rape) and got her

pregnant, which led to an abortion.

Moore left McDuffie County the day before the warrant was to be issued on him, leaving many personal belongings. This indicated he left in a hurry and knew about the warrant.

It was rumored Moore had been in Virginia, Texas and Florida. Sheriff Swan brought him back from Louisiana on Oct. 25 and he is now being held on a \$100,000 bond. Moore will face the grand jury, Dec. 10.

Dear Paul:

Enclosed is what we have on Andy Moore at this time. We are trying to secure a copy of a rumored warrant for his wife, Kathlene G. Moore.

The latest information we have is a report that they have been apprehended in Louisiana.

At this time, we are not aware of any media coverage of this case. Let's hope it stays that way.

PERSONAL AND CONFIDENTIAL

SUBJECT: F. Andy Moore

Dear Chubby:

About a month ago we had a phone conversation concerning F. Andy Moore, who is the Scouting Coordinator of Pack 3310 in Dearing, Georgia.

If you have secured any additional information by this time, we certainly would like to have this so that we can begin setting up our file. I know that sometimes trials do not take place for months after charges are placed, but it would be helpful to us if we can begin establishing this file. We would also like you to send us the confidential record sheet so that we will have more information for identification purposes.

Please call us if we can be of any help.

Sincerely,

Paul I. Ernst, Director
